LETTER FROM THE EDITOR

Welcome to the June edition of Southwater News!

If 2025 is the year for celebration, June 2025 is the month where everything seems to be happening. If you sit down and peruse these pages you will find that the church is 175 years old, Chichester Cathedral is 950 years old (p18-19), the village hall is 100 years old, the Brownies were 30 years old (p25) and the Easted Lane Allotments are 25 years old (p13). As if that is not enough our very own VE Day veteran Bob Piper is 100 years old this month and celebrates his 70th wedding anniversary to Betty, the girl next door (p16-17). Also, within these pages, you will find an article about how the clothes you donate to the CoCo's Foundation provide school uniforms for poor children in South Africa (p28-29). Closer to home the Southwater Parish Council are looking for two new councillors (p9) so, if you feel you can make a difference to benefit your local community, why not apply today. And last, but not least, there is a flower festival taking place at Holy Innocents Church between June 6th-8th (p14-15). This is an opportunity for everyone to visit our beautiful parish church and enjoy a time of spiritual tranquility in our quiet and peaceful surroundings - please come, reflect for a moment and enjoy.

This picture of Holy Innocents church among the red roses was taken by Quentin May last summer. This year the church celebraes its 175th anniversary with an amazing flower festival. Do come along and enjoy your beautiful local parish church and the outstanding work of many talented flower arrangers.

From the vicar's pen,

This month we give thanks to God for the 175 years of mission and ministry of Holy Innocents Parish Church to the people of Southwater. The Church was consecrated and dedicated for God's glory on 7th June 1850.

To dedicate something means you set it aside for use for a special purpose. 175 years ago, the church was set aside as a house of God for worship, prayer and a place of refuge for those in need spiritually, socially and practically. Further, the church is often called a 'thin place' where many come to give thanks to God and commit their loved ones to God. A 'thin place' is where earth and heaven meet together.

Scripture says that God in Christ is the cornerstone of the church. The cornerstone is the thing that sets the building in its place, and then makes it hold its shape, anchors it on that axis. It gives the direction and a line of sight that runs this way not that. The cornerstone means the building can never lose its shape.

As we celebrate the 175th anniversary of our parish church, we should remember that our cornerstone is God in Christ himself. We are, as Ephesians tells us, members of the household of God, built upon the foundation of the apostles and prophets, with Christ Jesus himself as the cornerstone. Ephesians 2:19-20

We go to church because we are at home there. Ephesians tells us Christ dwells in our hearts so that we are rooted and grounded in love. Too often it is suggested that the church is a place, like a school, where you might go to learn, or a museum where you remember something half forgotten. But church has a cornerstone, it is the direction of travel. Church roots you in God in Christ and the only way you will ever leave is by being up-rooted.

To go to church is to know life in its fulness. God in Christ is what living looks like and in that life is all seriousness, all hope, all meaning, and all our future. Imagine the thousands and thousands of people, through the 175 years, would have come to the church to worship, to pray. Imagine the thousands of christenings, weddings and funerals that have happened at the church. The church exists for the community.

To celebrate the glorious 175th anniversary, different worship services and events are planned from the 6th – 8th June. Please find details elsewhere in this magazine. Come and be blessed.

With my prayers and all good wishes,

Godfrey

and Bob's 100th Birthday**

Robert (Bob) was born on the 10th June 1925 at Little Bridges Farm. He went to school in Southwater and then on to Oxford Road School. On leaving school he worked for the village butcher. He was in the church choir and a founder member of Shipley Scouts. At the age of 14 he joined the village LDV (Home Guard) and at 15 joined The Royal Sussex Regiment. He was transferred into the Royal Signal corp and attached to 15th (Scottish) Infantry Division. He went to Normandy on D+7 in 1944 and was in the Battle of Goodwood, Operation Epsom, the Scottish Corridor, Operation Market Garden, the crossing of the Rhine, the relief of Celle concentration camp and ended up at Lubeck before going to help with over 150,000 refugees at Kiel navy depot. He was then sent to Egypt and Palestinian

where he was in charge of a wireless link between Jerusalem and Amman, with the 8th Independent Brigade. He then worked with the Trans Jordan Frontier Force, before returning to the UK in 1947. By then the family home was in Southwater Street. Bob got a job in the brickyard with Sussex and Dorking Brick Company. He was then asked to help set up the brickyard at Nutbourne in Surrey and the company built a house for him. By this this time he had met Betty Strake.

Betty had a sister and a brother. They lived next door in Southwater Street. Betty and Bob married at Southwater Church on 25th June 1950 and had their wedding breakfast at the Cock Inn (now the Tip-sy Fox). Betty was born in Twineham and sent to a family in Sunderland at the start of the war. She returned to Reeds Lane and then moved to Southwater Street. Betty and Bob lived at Nutbourne until 1966 when they returned to Southwater. Bob worked in the brickyard until he retired. Betty helped with the Welcome Club and become Club leader for over 37 years. Bob would put out the tables and chairs for the meeting during his lunch breaks, and also did the washing up for Christmas parties. One year Betty cooked two turkeys but it snowed and no one turned up so they had a lot of turkey in their deep freezer. Betty would organise garden parties, outings to France by Hovercraft and trips to places like Kew for Welcome Club members. She also ran a savings club for them. They still help with the Welcome Club in a small way. Bob was a volunteer driver for the David Bryce club. Betty was a member of both WIs and the Trefoil Guild. Bob was awarded the Legion D' Honneur from the French Government for his service to the French nation. They both helped run Shipley windmill. As a family they have supported the Parish Church, Chichester Cathedral, The Open Air Museum and the Tower of London to name a few.

Southwater Local History Group

Chichester Cathedral - 950 Years of History

“Sussex Day is the county day for the historic county of Sussex in southern England and is celebrated on 16 June each year to celebrate the rich heritage and culture of Sussex. The event takes place on St Richard’s Day, the feast day of St Richard of Chichester, Sussex’s patron saint. The date marks the anniversary of the translation of St Richard’s body from its original burial place in the nave of Chichester Cathedral to an elaborate shrine at the cathedral on 16 June 1276.”

The paragraph above is taken from Wikipedia and reminds us that this year also marks the 950th Anniversary of Chichester Cathedral. It was built to replace the abbey at Selsey when the Council of London decreed that cathedrals should be in cities, not villages! The Abbey was founded by St Wilfred in 681 – he was instrumental in converting the South Saxons to Christianity. This 950th anniversary marks the date in 1025 when the bishopric moved to Chichester, though it was not consecrated until 1108.

As one might expect, the Cathedral has seen many changes and upheavals over the centuries, beginning not long after its consecration. Severely damaged by fire in May 1114, rebuilt, then in 1187 completely burnt out during a fire which also destroyed much of the town itself.

This of course meant yet another rebuild, this time replacing the

previous Romanesque architecture with early Gothic and re-dedicated yet again in 1199. Not only has the main building suffered catastrophic damages but the towers have their own history of mishaps, often the result of subsidence. The south-west tower collapsed in 1210 and was rebuilt. The north-west tower collapsed in 1635 – it took until 1901 to rebuild that one! The masonry spire, built in the 14th century, was repaired in the 17th century by Sir Christopher Wren – no doubt a little light relief after St Paul’s and all the London Churches! Then on 21 February 1861, the cathedral spire telescoped in on itself,

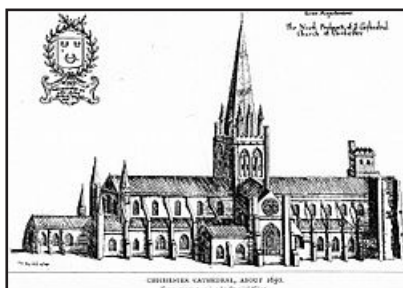

possibly through subsidence; fortunately no lives were lost!

Over time the cathedral has accumulated a wealth of art work, ranging from a set of thirty-eight medieval misericords dating from 1330, to a glorious window by the artist Claude Chagall and the remains of a Roman pavement, which indicates the significance of the site long before the coming of Christianity.

Here too you will find The Arundel Tomb, which so inspired the poet Phillip Larkin. This is the tomb of Richard Fitzalan and his wife Eleanor of Lancaster. Oddly the one place it has never rested is Arundel itself; it was moved to Chichester from Lewes Priory at the time of Henry VIII's dissolution of the monasteries!

To mark the 950 years of history there is a very varied programme of events and a fascinating exhibition continuing throughout the year. Worth a visit!

PILGRIMAGE TO CHICHESTER FROM SOUTHWATER

Chichester Cathedral and Diocese are 950 years old this year. To mark the occasion you are invited to join a pilgrimage from Southwater to Chichester by train. Come for a day out including a tour of the Cathedral, finishing with Choral Evensong.

Notes from the Past....

By Robert Piper

June is a special month for the village this year. 7th June is a very special day for the church as it marks its 175th anniversary. On Friday the 7th June 1850 Bishop Gilbert of Chichester consecrated the church. Sir Henry Fletcher 3rd baronet had given the land and £1000 (£114,668.75) for a Chapel of Ease for Southwater. It was to be called Holy Innocents in memory of Sir Henry 3 children who died of scarlet fever. His youngest child was born three days after Sir Henry died of consumption. The land for the church was part of Collage Farm. The parish of Southwater was made up from part of north Shipley and part of south Horsham. The total cost of the church was £1800 (£206,403.76). The Bishop said it was a lovely simple church. 140 people came to the service and a lunch was held after the service at Great House Farm.

On Whit Monday 3rd June 1895 300 cycles come though the village on their way to Worthing. On the 25th June Rev H.S. Boyd gave his first service in the church and in June 1905 the church had its annual spring clean from roof to floor using plenty of soap. In June 1915 the village raised £0-12-0 (RPI £131,35) from a whist drive for the Serbian Red Cross and Mr Booker at the Post Office sent 104 eggs for wounded soldiers. A Sinclair Light Weight motor cycle was for sale. It cost £15 (RPI £1313.48) from Mr S Gardener, the cycle agent in Southwater

On the afternoon of Thursday 9th June 1925, a brilliant sunny day, Sir L Aubrey- Fletcher open Southwater Village Hall which was to be the centre of social activities. Sir L Aubrey Fletcher was thanked by Captain Irvine MCO OBE and seconded by Mr F Grinstead, for his donation of the land for the Village Hall. In his speech, the vicar, who was chairman of the village hall committee, said that the village hall still had a £60 (RPI £3107.15) debt.

The following day, on the 10th June, the brick company had it annual AGM in Horsham and in the afternoon the shareholders and members of the board came to Southwater to see Mrs Whitehouse light the new Staffordshire kiln. This kiln, which cost the company £8000 (RPI £414287.11), had a capacity to burn 150000 brick per week and increase production at the yard

The Southwater Academies PTFA is excited to announce that on Saturday 5th July 2025 we will be running our extremely popular 'Summer Fair' community event between 12pm and 4pm.

The fair will be held across the Southwater Infant and Junior Academies and is a lovely opportunity for the communities of both academies, and our friends of Southwater and Horsham to come together to enjoy a fantastic and fun-filled family day out.

This year promises to be even bigger than last year - with more exciting activities, performances and stalls to enjoy! Come along and join the fun!

If you are interested in having a stall at the fair, donating a stall prize or partnering with us, please email southwateracademiesPTFA@gmail.com. We look forward to hearing from you!

Entry fees apply - £1 per adult, 50p per child and free entry for preschoolers. Set to be one of the biggest school fairs in Horsham this Summer, be sure to support this fun and vibrant event.

3rd Southwater Brownies 30th birthday celebrations!

Our pack has just celebrated it's 30th birthday. We were so lucky to be able to find most of the leaders of our pack from over the years. The Brownies made invites to send to all the past leaders and also leaders of all the Guiding Southwater units to come and join us for our party night.

We came together on the night and played party games and shared our favourite things from 3rd Southwater Brownies. The Brownies read the Brownie story to remind us all what it is about. We shared in sweet treats and a wonderful 30th birthday cake, after singing happy birthday of course!

We ended the evening, as we end each Brownie meeting with Brownie bells, everyone joined in and it was a great way to mark us all joining together in our unit for one night only!

It was a fun evening sharing memories and making new ones, but as with all great things it went too quickly!! We look forward to more fun in the years ahead.

If you are interested in joining Rainbows, Brownies, Guides or Rangers , or perhaps fancy getting involved as a leader please email

CoCo's Foundation

Who We are...

As a registered UK charity, we inspire UK teenagers so they can support and help orphaned communities within the poorest

areas in South Africa. Our aim is to deliver each child's basic needs: food, water, shelter and professional emotional support. The Foundation works with international companies, UK schools, community groups and many individual volunteers to help change children's lives, both here in the UK and in Africa. We are funded entirely by donations. The Foundation do not take any administrative costs and every penny donated goes to one of our four programmes:

- Build4TheFuture – providing homes and shelter for child-headed families
- Food4Life – feeding over 2.6 million children every day
- Skills4life – delivering professional emotional and life skills
- Clothes4Clothes – providing school uniforms and beds for the houses we build

Providing orphans with much needed school uniforms to allow them to attend school, to gain an education, funded by unwanted clothes and textiles donated to our clothing banks in the UK and then sold on Ebay to raise the funds. This funding stream also helps us to be able employ a local man that makes the wooden beds for each child in each house that we build.

To purchase a school uniform it costs £40 per uniform

To purchase a bed, one that a child can call their own, is £80 each

3,000 children have managed to get to school with your support.....

How can you get involved...?

Our clothes collection is held on the last Sunday of every month from 9.30am to 10.30am in Lintot Square, Fairbank Road, Southwater (outside the Coco's salon). Our next date is Sunday 29th June. Please bring old, new and preloved clothes, including hats, scarves, gloves, coats, bags, shoes and belts in any condition. The items in good condition will be sold on Ebay and the 'rags' will be sorted and collected by a textile company who will recycle them into useful everyday objects. Our aim is that nothing from our collection goes to landfill. Unfortunately we cannot take bedding,

duvets, pillows and cushions.

Alternatively If you are interested in helping to sort the clothes with us from 11am to 1.00pm on the last Sunday of the month, please email: info@cocosfoundation.co.uk Thank you

“...Giving Children a Hand Up, Not a Handout...”

Liquid Soap vs Bar Soap

Five years ago we were all obsessively scrubbing our hands while singing “Happy Birthday” to ensure we scrubbed for long enough. Along with toilet rolls and flour, anti-bacterial liquid soaps were sold out everywhere and we were all desperate to get our dirty hands on some of the disinfecting, foamy stuff.

Liquid soap was already booming but when the Pandemic hit, sales went through the roof. Interestingly, however, it seems that bar soap might have been our best bet when it came to battling the virus. According to Pall Thordarson, who wrote in the Guardian at the time, “the health authorities were giving us two messages: once you have the virus there are no drugs that can kill it. But also, wash your hands to stop the virus spreading. This seems odd. You can’t, even for a million dollars, get a drug for the coronavirus – but your grandmother’s bar of soap kills the virus.”

Five years on and we’re still addicted to liquid soaps, so here are a few reasons to consider the switch:

Liquid Soaps contain a high percentage of water so you are paying for water and the financial and environmental cost of transporting the water due to its weight and volume.

It comes in single-use plastic bottles with complex pump mechanisms that are hard to recycle and wasteful as they are single use.

Many liquid soaps are anti-bacterial which kill the good bacteria as well as the bad, leaving your skin vulnerable to other pathogens.

The production of liquid soaps requires more energy, mostly due to the single-use packaging

Users of liquid soap tend to use up to six times more product than users of bar soap.

Many liquid soaps are made from petroleum-derived ingredients such as surfactants, emulsifiers and other additives, many of which are harmful to aquatic life.

If you decide to switch, granny’s bar soap is widely available (choose bars wrapped in paper!) in supermarkets and chemists everywhere. If you want to go a bit more eco and go for bare bars (no packaging at all), there’s a wide range available at the old Body Shop (now called **The Natural Body Company**) in Swan Walk, or from the **Plastic Free Refills** stall at Horsham market on Thursdays and Saturdays, or from our very own **Sustainable Southwater** stall in Lintot Square on the 2nd Saturday of every month from 10-12.00.

Letter from Alex Jeffery *HDC Councillor for Southwater South & Shipley Ward* **Planning Inspector puts the brakes on the Local Plan – what happens next?**

In April, the Government-appointed planning inspector delivered his verdict on Horsham District Council's (HDC) Local Plan, making his recommendation to withdraw the plan on the grounds that it should provide significantly more houses than is being proposed within the plan period.

This decision from the inspector is unprecedented, with the inspector raising no concerns prior to the local plan examination back in December. It therefore came as a great surprise that only days into the examination the inspector stated that he had "serious concerns". HDC ran a 'health check' on the draft Local Plan in which the plan was assessed by the Planning Inspectorate prior to formal submission – no concerns arose from that process.

The reality is that the current planning system presents no option to prevent development taking place. The significance of an up-to-date Local Plan is crucial to ensure that HDC has control over where development takes place, ensuring the council maintains influence over placement and accompanying infrastructure, the biggest gripe of many residents who I have spoken to over my two years as your councillor.

The consequences of a void in local planning policy is demonstrated by the approval of both Woodlands and Rascals Farm which had there been a Local Plan in place would have been prevented.

The leader of the opposition group Roger Noel, recently wrote in the County Times advocating for higher local housing numbers and the return of the Buck Barn proposal which was previously suggested would deliver more than 3000 homes, a site my colleagues and I discounted from the previous draft local plan. It makes for further interesting reading when you consider that this is a proposal only two years ago Cllr Noel's group were campaigning against, I will leave residents to come to their own conclusions.

The council now has options to consider, including judicial review. There is also the possibility of the housing minister 'calling in' the plan which would override the inspector's recommendation.

Either way, continuing without a Local Plan in place is only to the detriment of residents, and to the advantage of the developers. My colleagues and I will continue to work closely on a solution and provide you with an update as soon as possible.

✦ Southwater ✦ ✦ Parish Council ✦

Here's what has happened in the last month and what's to come!

- **Southwater Big Bin Survey Results** - Thanks to all those that took part in the Big Southwater Bin Survey which was carried out in March. Participants have provided valuable insight into how our litter, recycling and dog waste bins are used throughout the parish. Highlights from the survey are that residents don't think there are enough recycling bins or dog waste bins in public areas and more frequent emptying is needed. Overall the findings indicate a strong demand for improved waste management solutions in Southwater. The full results can be found on the SPC website www.southwater-pc.gov.uk and search for "bin survey".
- **How Can Southwater Parish Council Communicate Better** - Following on from the Big Bin Survey we now want to hear from our residents and are conducting this survey to understand how we can improve the way we communicate with residents, ensuring they stay informed and engaged with local matters. To complete this survey please go to: <https://forms.office.com/e/fXu3YIPvNf> or scan the QR code below.
- **Improved Bus Service** - The No 23 service that runs through Southwater has received some improved times and more evening routes starting in May. There will be a new evening service between Crawley, Horsham and Southwater. To find out more go to: <https://www.metrobus.co.uk/May>
- **Southwater Parish Councillor Vacancies** - Do you want to help your community, have expertise that could benefit Southwater residents and you would like to become the voice of local people? Become a Parish Councillor! For more information and how to apply, please see details on "Who Can Be A Councillor" on our website www.southwater-pc.gov.uk/becoming-a-councillor.
- **New Toilet Block at Southwater Country Park** - When visiting the park you will notice that there is now a new toilet block adjacent to the cafe.

Monthly Eco Tips:

Vape Recycling - Horsham District Council is trialing two new collection points for used disposable vapes and batteries in Horsham and Storrington. The nearest to Southwater is at The Pavillions Leisure Centre. In Horsham. This is to encourage residents to dispose of these items more safely for recycling.

Recycle From Home - You can also recycle your unwanted textiles, vapes and broken small electricals with the Council's free collection service. You can book a slot online, then just leave your items out in a plastic bag on your booked collection day. To find out more and how to book visit www.horsham.gov.uk/ and search for recycling at home.

More News

- **Downs Link Summer Cut** - The annual cut on the entire Downs Link will take place between 24 June and 5 July this year. Please look out for signs when the cut takes place on the Southwater sections.
- **Home Library Direct** - If you cannot visit a library because of age, illness, disability, mobility problems, caring responsibilities or other reasons a volunteer can bring books, audiobooks and other resources free of charge. For more information go to: <https://arena.westsussex.gov.uk/-/home-library-direct>
- **Horsham's Local Plan Rejected** - Horsham District Council has been informed by the government appointed planning inspector that he won't allow Horsham's Local Plan to proceed, and recommends withdrawal of the plan. the Inspector's view that Horsham should be seeking to provide significantly more houses, is in contrast to the view of many who objected to the plan, arguing its housing numbers were too high. To read more, go to: www.horsham.gov.uk/news and search "local plan".

Volunteer Opportunity

Re-Engage with a Tea Party

Re-Engage is a National Charity combating loneliness among the elderly. As well as call companions and other activity groups, local volunteers provide monthly tea parties for guests to join in with. It is a wonderfully friendly, really important opportunity for their guests; many of whom have been in the group for years.

The charity would welcome volunteers, and are looking for drivers who collect their guests and take them to the monthly gatherings, join in with the tea (or lunch in winter) and take guests home again. They would also love to hear from any prospective hosts. Both roles are flexible, dates can fit around other commitments. Support is provided by Re Engage and the local coordinator for the Horsham2 Tea Group, which covers a wide areas around Horsham and includes Southwater would love to hear from anyone interested.

Doorstep Crime and Rogue Traders

There has been a recent increase in Doorstep Crime and Rogue Trader reports across the Adur/Worthing and Horsham areas, where incidents of cold calling to repair roof tiles and gutters have occurred.

Doorstep criminals will use excuses to enter your home to steal or charge inflated prices for “repairs”, offering overpriced or substandard home maintenance or improvements.

They will often say that the work is urgent and normally ask for immediate payment, even offering to go to the bank with you if you do not have cash to hand.

Be vigilant about anyone who comes to the door without an appointment. Never give your bank details, never transfer money to those you don't know or trust and never give your PIN number or other sensitive information to strangers. If you are in doubt about a situation, close the door and call the police. If something doesn't sound right, don't feel pressured to make a snap decision on matters relating to your finances or your property. Trust your instincts.

Check your actions with a trusted friend or family member and get their advice on whether you should go through with any action that could impact you financially. Please pass this message on to any vulnerable family member / friend.

If you are concerned about anything suspicious, please call Sussex Police on **101** or report it online at **www.sussex.police.uk**.
In an emergency, always dial **999**.

SOUTHWATER NEIGHBOUR NETWORK

We provide the kind of help a good neighbour might offer

We are a good neighbour scheme, run and provided by volunteers, offering help to Southwater residents who have difficulty getting out because of mobility problems or who are socially isolated. We can provide transport, if it is local, help with shopping and collect prescriptions. We also offer befriending, arrange regular outings, and help run a fortnightly Games afternoon which our service users can attend.

All our volunteers are DBS checked and use their own cars to provide transport. The service is free, but contributions are always welcome.

Southwater W.I. News

Last month we had our annual quiz which was very well attended with very close results. In May we are looking forward to a talk about the Knepp Rewilding Project, which I know many of you are interested in, especially as they are organising walks around the estate this summer. June is promising to be a very exciting meeting. We have a Consultant Dermatologist, Dr Justine Hextall, who is going to talk to us. We are anticipating that the demand for this will be high and so if you are considering coming as a guest please let us know well in advance as guest numbers will be limited. July sees our annual picnic -with entertainment. Our walking Wonder Women are continuing to explore the Sussex countryside and our Charities Committee are doing the St Catherine's Midnight Walk as part of a team so all in all, we are quite active and we do like to offer new visitors a warm welcome.

10.00 a.m. Sunday Service with Holy Communion.

Tea, coffee and biscuits are served after these services to give us an opportunity to meet informally and to get to know one another.

Start the Month services explore various forms of worship and are held at 5.30pm on the first Sunday of the month. Refreshments are served before the service at 5pm.

Midweek Communion is held every Wednesday at 10.30 am followed by tea and coffee.

Home Communion - if anyone you know is too frail or unwell to come to church and would like **Home Communion** please contact Godfrey.

Youth Group meet at 10 a.m. on 1st, 3rd & 5th Sunday in the month

Baptisms/Christenings normally take place at 12.30 p.m. at a short service following the main Sunday service

If you want to know more about any of these services or want to enquire about a baptism, wedding or a funeral please contact Godfrey or one of the churchwardens or speak to them after a service

The Music Group is always looking for musicians and people to sing in the church choir. Please email music.group@panda.me.uk if you are interested in joining us

Gardening - If you like gardening, why not help in the church garden or our flower and produce garden. Email garden@panda.me.uk

Recycling - We manage the Terracycle hub in the church car park and re-distribute many difficult to recycle items from a central point. Contact Sustainablesouthwater@gmail.com for more information

The church is open every day from 9 a.m. to 6 p.m.

OTHER CHURCH ACTIVITIES

Prayers for the Community

At our 10 am Sunday services prayers are offered for people who live in specific roads in Southwater. If you are in need of prayer support please let Godfrey know (no names need to be mentioned). All are welcome to the service on the day we pray for your street or road
